

Mount Carmel Tots!

**Classes for toddlers (1-2 years old)
and their caregivers**

OUR PROGRAM

Toddlers and their caregivers are invited to join us for an interactive and joyful introduction to preschool!

Through play with age appropriate materials, toddlers will explore their surroundings and foster new friendships as they continue developing their language skills, social skills, and fine and gross motor skills.

HIGHLIGHTS

- Small Class Size
- Dedicated Classroom with age appropriate materials
- Snack provided

TUITION

- \$1,800 (24 classes)

DAYS & TIME

- Two sessions available:
 - T & W (9:00 AM - 10:30 AM)
 - W & TH (10:45 AM - 12:15 PM)

CLASSES BEGIN THE WEEK OF OCTOBER 13TH!

10 Withers Street • Brooklyn, NY 11211

SPACE IS LIMITED

REGISTER TODAY!

2026-27 Mount Carmel Tots Class Policies and Procedures

Enrollment & Classes

- Children of all faiths and backgrounds are welcome.
- Registration is on a first come, first served basis with limited spots available.
- Families who participated in our fall/winter Tots class and siblings of Mount Carmel Early Childhood Center children will be given priority.
- We reserve the right to cancel the class if there isn't enough registration.

Payments

- All fees are per semester and are non-refundable. The exceptions are if we are unable to place your child or if there isn't enough registration.
- Classes missed due to illness or absence may not be made up, pro-rated, or refunded.
- The tuition will be billed through FACTS and must be paid by the start of the Tots program.

Parent/Caregiver

- A parent/caregiver must remain with the child or in the designated waiting area (across the hall) during each class.
- Only registered children may accompany a parent/caregiver. The exception is for infants in carriers.

Strollers

- All strollers must be parked in our half-day stroller parking room located in the lower level of our school building.

Changing diapers

- All diapers must be changed on the changing table, located on the 2nd floor.

Communication

- Class photos and a short summary of the week will be shared via an app called *Remini*. The photos are only shared with families in the Tots class and are not public.
- Families who don't want their children photographed must express it in writing before the start of the first class.

Class Dates

Classes

- Two, 24 class sessions will be offered.
- Each family will only participate in one session.

Parent's Full Name (please print): _____

Parent's Signature: _____ Date: _____

Please sign and return the completed registration form to info@themountcarmelevcc.org

2026-27 HEALTH GUIDELINES

The average preschooler comes down with infections several times a year. Each infection strengthens the body's defenses so as children get older, they get sick less often. **It is important for the health of all in our community that you keep your child home when they are not feeling well or are contagious.**

When to keep your child home

Please read the following health guidelines carefully. While we cannot prevent illness, we can take certain precautions to minimize the spread of a virus and/or infection.

Please keep your child at home and notify the office if:

- She/He is in the first stages of a cold, with copious mucus, heavy cough, sneezing, sore throat, ear pain, etc. **(even without a fever).**
- She/He has unexplained general malaise, feelings of fatigue, discomfort, weakness, or muscle aches **(even without a fever).**
- She/He has a fever or had a fever the day(s) before. Your child's temperature must be normal, without medication, for 24 hours before returning to school.
- She/He has a rash on the face or body. (We must have a doctor's note stating that the condition is not contagious).
- She/He had diarrhea and/or vomiting that morning or the day before.
- You have detected lice or nits (eggs) in his/her hair.
- One or both eyes are red, with or without mucus or crust. (We must have a doctor's note that the condition is not contagious).
- Children who test positive for COVID-19 should remain isolated at home for at least 5 days and until they are fever free for at least 24 hours and symptoms are improving.

Please contact the school office if your child will be absent with a contagious illness. We will notify the rest of the class to be on the lookout for symptoms.
